

Global Shop Solutions University

Our University provides you any and all ERP training types that will allow every ERP user to improve their skills, master best practices, train faster, become certified and become a better user.

TRAINING OPTIONS INCLUDE

- **ACC**
Deep dive into specific parts of the software & get certified after you pass the course exam.
- **ERP Boot Camp - New Customers**
This course takes new customers through implementation, operations & finance basics.
- **ERP Boot Camp - Live Customers**
This course takes current ERP users through processes from quote to cash.
- **ERP User Conferences**
These events offer training sessions for every job role & industry.
- **Friday Features webinars**
Weekly webinar shows you core & newly-launched items.
- **Game Days**
These in-person events in cities around the world cover the latest product updates.
- **Global Shop Solutions Help**
Right-click in our software to access the expansive Help menu or access through the ServiceWeb.
- **Learning Management System (LMS)**
Online, self-service website for training & certification at your pace.
- **Manufacturing Health Test**
Short, online quiz to help you figure out what areas of your manufacturing to work on.
- **On-Site Consulting**
Schedule our ERP Consultant to come to your location to train you on any part of the system.
- **Professional Services Consulting**
Schedule an ERP Consultant to help improve your productivity & simplify your processes.
- **Process Document & Training (PDTs) videos**
These in-software videos shows you how to complete ERP processes.
- **Virtual Consulting**
Schedule our ERP Consultant to virtually train you on any part of the system.
